*The count of "children served" in this report means that the caregiver received at least one visit based on an IFSP in the Community (C), Childcare (D), Hospital (H), Office (O) or Home (X). The following other "services" were not included; evaluations, assessments, meetings, or service coordination. Cancellations were also not included. While these counts are unduplicated by program, families may change programs at any time so the total for the state is not unduplicated. *Families can exit and return to Birth to Three during the year. This is a count of children not case numbers assigned at enrollment.. And NOW (thnak you Myra and Elisabet) does not include EVLs.*
