

# Step by Step

## Next Steps: Supporting Your Child

### Monitor

Decide how to monitor your child's development going forward:

- \* mobile screening
- \* online screening
- \* paper screening

### Screen

Complete new Ages & Stages Questionnaires® as your child grows up on mobile, online, or paper to check in on their development.

### Connect

Get information and support from 211 Child Development care coordinators — whichever platform you're using.

### Access Support

Access information and activities to spark ongoing healthy childhood development (birth through 5) through Sparkler and 211.
