

Agenda- 4/15/24 at 2-3 pmpm
Community of Practice-Birth to Three
COSP Facilitators

"I learned that I could really be quiet and that a lot of change could happen without me talking. And that these caregivers we work with are so much more capable of doing these complex topics and being able to do this with their children if you just provide the space."

- COSP Facilitator, USA, March 2017

1. COSP Sharing -any stories or thoughts since the last meeting.
