

Connecticut's inaugural Infant Mental Health Summit is here, and you're invited!

Whether you're a parent, provider, or policymaker, you belong on Team Baby—and this summit is where the whole team meets. Join us this November for two days of connection, learning, and collective action across early childhood, healthcare, behavioral health, education, child welfare, family support and public policy.

November 18-19, 2026
Bristol Event Center
Hosted by CT-AIMH

Program Highlights

- Hear from national keynote speakers
- Experience two days of connection and community
- Claim your place on Team Baby
